Re: Thomas Jermyn v. Best Buy Stores, L.P.
Docket No. 08 CV 00214

Your Honor:

Colleen McMahon
6/11/08

Enclosed please find a courtesy copy of the: 1) Plaintiff's Notice of Motion; 2) Declaration of Thomas Jermyn; 3) Declaration of Michael L. Braunstein, Esq. and the exhibits attached thereto; 4) Declaration of Juan Ortiz; 5) Declaration of Boris Manzheley; and 6) Plaintiff's Memorandum of Law in Support of the Motion for Class Certification.

We respectfully request an enlargement of the page limit for the supporting brief to 35 pages. This case involves a putative consumer class action in which the defendant produced approximately 28,000 pages of documents and three deposition witnesses. We have attempted to be as concise as possible, but believe that the greater page limit will allow us to address more adequately the multitude of issues raised in this case. I have spoken with defense counsel who does not oppose the plaintiff's request for an enlargement provided it receives similar consideration, which I obviously do not oppose.

If O can be any assistance to the Court, please advise.
